HOW TO MIRROR THE iPAD IN THE IBC CONFERENCE ROOM
1. Turn the power on the panel.

2. Now that it is on, touch anywhere on the panel to take it out of sleep mode.
3. To begin sharing from your iPad tap on the **Apple TV** icon.

4. On your iPad lock screen, swipe **UP** to reveal the airplay icon.
5. Select the airplay icon for the room that you are in. For this example we are using conference room IBC 214. Select the room and slide mirroring on.

6. You will see a code appear on the display, enter the code in your iPad.
7. Your screen on iPad should populate on the display.
