Turn on your new iPad and your iPad will tell you HELLO.

Once you slide to unlock your iPad, you will be given the option to select a language. Select English.

Now that the language is set, select United States to signify your location to properly configure the iPad.
Now that those steps are out of the way, make sure that you are connected to **Wi-Fi**.

You will then be prompted to select how you want to **restore** your device, select from **iCloud**.
If prompted, enter your Password.

Tap **Next**

Select the latest iPad Back Up.
Tap restore iPad.

Now you should see that your iPad is restoring.

Upon completion of the restoration process, **Agree** to the **terms and conditions**.
